**Cow on train tracks**  
 A passenger train is creeping along, slowly. Finally it creaks to a halt. A passenger sees a conductor walking by outside.  
 "What's going on?" she yells out the window.  
 "Cow on the track!" replies the conductor.  
 Ten minutes later, the train resumes its slow pace.  
 Within five minutes, however, it stops again.  
 The woman sees the same conductor walk again.

She leans out the window and yells, "What happened? Did we catch up with the cow again?"

**These chickens want books**  
 A pair of chickens walk up to the circulation desk at a public library and say, 'Buk Buk BUK.' The librarian decides that the chickens desire three books, and gives it to them...and the chickens leave shortly thereafter.  
 Around midday, the two chickens return to the circulation desk quite vexed and say, 'Buk Buk BuKKOOK!' The librarian decides that the chickens desire another three books and gives it to them. The chickens leave as before.  
 The two chickens return to the library in the early afternoon, approach the librarian, looking very annoyed and say, 'Buk Buk Buk Buk Bukkkook!' The librarian is now a little suspicious of these chickens. She gives them what they request, and decides to follow them.  
 She followed them out of the library, out of the town, and to a park. At this point, she hid behind a tree, not wanting to be seen. She saw the two chickens throwing the books at a frog in a pond, to which the frog was saying, "Rrredit Rrredit Rrredit..."

## Useful Tip

### Junk the Clutter Tip

Clear the clutter. Look around your house. Has the clutter--the junk--taken over? Do you waste valuable hours rearranging the clutter? Pitch it instead! Set aside an afternoon to concentrate on de-cluttering one area of the house (don't try to do it all in a single day!) Set a timer and do it 15 minutes at a time so it doesn't become so overwhelming. Then, hold a yard sale, give it to charity or simply throw it out!
